

DNA8900 Network Mobile Video Central Management System Database Software

DESCRIPTION

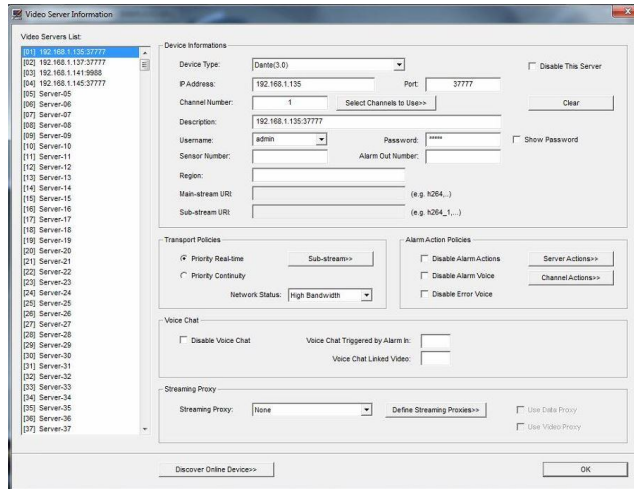

The DNA8900 Series is a professional Central Management System with integrated Server and Client PC Software for Mobile Video applications. Features include cascading to a sub-master control room, device management (MNVR, PTZ, Keyboard), storage service, media transmission via WiFi, 3G/4G/5G, auto registration, alarm linkage and dispatch, image transfer, device storage (edge and central), Videowall, Windows PC client and mobile client (Android, IOS). Additionally, CMS supports Google map, real location video monitoring, multiple vehicle tracking history and position via GPS. DNA8900 Series are solutions for scalable Mobile video surveillance installations.

FEATURES

- * IP Video NVR Central Management System with Client DVR like Graphic User Interface
- * Server: Intel Xeon Silver 4114, 2.2GHz, 16G RAM, 1TB, 500GB for program
- * Client: 4 core Intel Processor 8GB DDR3; Intel Graphic 4400, 10G for program
- * OS: Win 10(64bit), Server 2012/2016;
- * Smart Phone: IOS8.0, Android 4.4 and above
- * Cascade up to 3 Sites and 20 Servers,
- * Total 5 sub servers in Master Control Room
- * Register 1000 devices, 1000 Channels/Site
- * 600Mbps Video in/output per server
- * Transfer Video images via WiFi, 3G/4G/5G
- * 100 User permission roles, unlimited users
- * Up to 5 Storage Devices per Server
- * Receive up to 50 Alarms per Images
- * Maintain up to 5 Million Alarm Records
- * Up to 21 Hierarchy Maps; 8 Sub Maps
- * Compatible with Google, Raster Maps
- * Alarm Linkage to Messages, Emails and PTZ presets; Vehicle GPS Tracking
- * Up to 1000 Vehicle Locations on Map
- * Real Time Decoding to Video Wall
- * Split Displays: 4/6/8/8/13/16/20/25/36

ORDERING INFORMATION

- DNA8900 Mobile Video Central Management Software, Base License 16 Cameras
 DNA8900L Additional Camera License

APPLICATIONS

- * Law Enforcement
- * Public Transportation
- * Fire Dept. Trucks
- * Railways/Subways
- * Commercial Trucks
- * School Buses
- * Utility Vehicles
- * Taxi/Fleet Vehicles
- * Correctional Vehicles
- * Emergency Response

DNA8900 Network Mobile Video Central Management System Database Software

Mobile Network Video Surveillance System Components

DNA1345MFWV	2MP Network IR Vandal Dome
DNA1349MFWV	4MP Network IR Vandal Dome
DNA1690YM2	2MP Network IR PTZ Positioning System 80m night Vision, 30x Zoom
DNA1890YM2	2MP Network IR PTZ Positioning System 150m night Vision, 30x Zoom
DNA2204MGW4	4ch Mobile Network Video Recorder, 1SATA HDD, GPS, WiFi, 4G
DNA1005NP	Mobile 4 POE Port Ethernet Switch
DLS6230-17	17" Mobile Vehicle HDMI 1080p Monitor
DFO48G28MRX	24 copper 4 Fiber Port Gigabit Ethernet Fiber Switch
DNA3750	32ch Network Video Recorder, up to 12MP Resolution
DNA5000	256ch Network Video Recorder, 128 IP inputs @ 1080 Resolution
DNA8900	Mobile Network Video Central Management System Software
DNA9240	6ch HDMI Video Decoder
DLV6250E	3x3 Video-wall System with 55", ultra-slim bezel LED Backlit Panels
